REPERTOIRE

Here is our condensed repertoire. We try to keep it updated as often as we can, but with so many new pieces being added, its hard to keep on top! If there is something missing from our repertoire, that you would love to hear on your special day do let us know!

If you are unsure on what music you want for your wedding (please do ask!) or if you just want to leave it to Kate, we can guarantee perfection either way!
